**RICH CREAM**  
HANDS & FEET

# RICH CREAM HANDS & FEET

**A rich moisturizing-regenerating hand  
and foot cream with liposome collagen  
and 10% urea**

## Rich Cream Hands & Feet formula is rich in selected active components

- **Urea 10%**
- **Hyaluronic liposomal acid**
- **Liposomal Collagen Complex**
- **Gluconolactone**
- **Zinc gluconate**
- **D-panthenol**
- **Allantoin**
- **Biotin**
- **Vitamin E**

Regenerates and gives immediate relief for even very dry, rough and chapped skin

# RICH CREAM HANDS & FEET

10%  
UREA

10% concentration urea perfectly moisturizes and softens, however it does not excessively peel the skin

Urea and **hyaluronic liposomal acid** increase moisture of the skin. They protect the water binding place, thanks to which its content in the stratum corneum is increased

As a result the skin retains the optimum level of moisture; its elasticity and vitality is improved

# RICH CREAM HANDS & FEET

## LIPOSOMAL COLLAGEN

Its unique on the market Liposomal Collagen Complex protects the skin against loss of moisture, saturates it with collagen

**improves elasticity,  
repairs and stimulates  
regeneration**

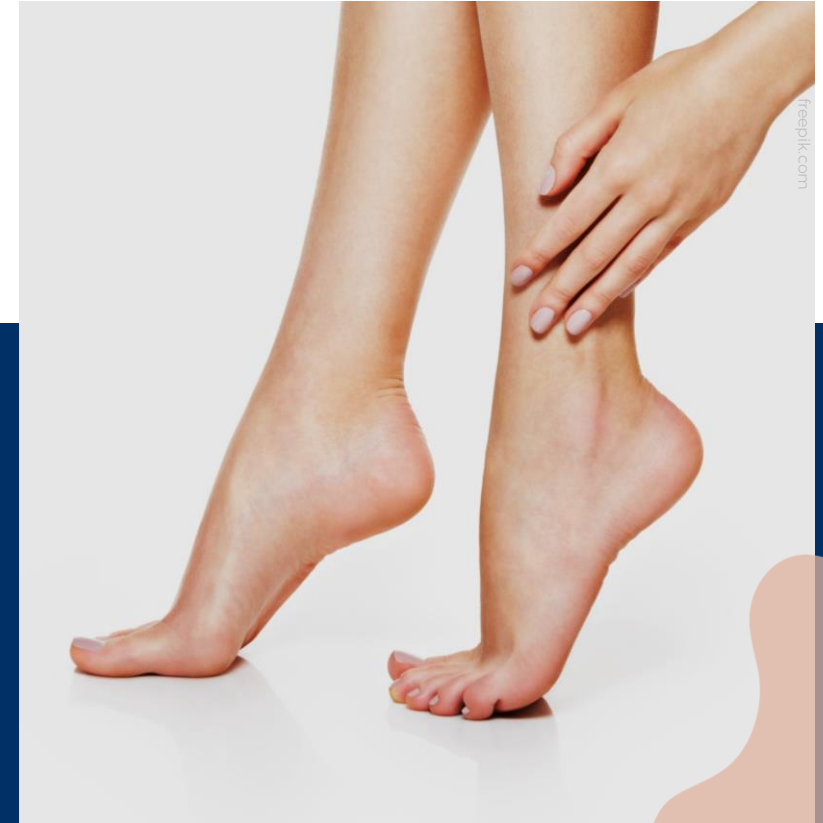

# RICH CREAM

HANDS & FEET

Gluconolactone, zinc gluconate,  
D-panthenol and allantoin. It ensures its  
smoothness and softness

**Provide relief for even  
very dry or irritated  
skin**

**Biotin and Vitamin E  
stimulate the repair  
processes and strengthen  
the skin and nails**

## How does the Rich Cream works?

- it increases moisture of the skin
- softens and smoothens the skin
- soothes irritation, for example caused by detergents
- eliminates itching and feeling of skin tension
- accelerates regeneration of the skin
- provides relief for dry, rough, chapped skin
